Nursing
Baccalaureate of Science Degree Program

This program is designed to prepare Registered Nurses with an Associate’s Degree in Nursing to advance in their nursing career, and be proficient to participate at different levels of leadership within their nursing practice and as part of the Health Care Team. This is known as a RN to BSN degree. The program emphasis includes Evidence Based Nursing, Critical Thinking, Leadership and Management, Gerontology, and Public Health/Preventive Nursing. The program prepares the Nursing Professional to give a high-quality of care to patients, but also provide a high-quality customer service.

Admissions requirements:

1. All potential students must receive a school catalog prior to signing an enrollment agreement
2. A high school diploma or its equivalency is required for admission into the program;
3. Successful interview with an intake (admissions) counselor; and
4. Successful completion of a nursing registry unencumbered license (Registered Nurse (RN) license will be verified by admissions director for successful completion of the NCLEX-RN)
   a. 55 Semesters hours (82.5 quarter credit hours) of lower division courses and General Education courses must be completed before enrollment in BSN core of courses
   b. Additionally 36 semester hours of registered nursing credits (54 quarter credit hours) must be completed
5. Student must complete a prerequisite orientation to determine if a student will be able to manage education utilizing the online platform. In order to receive credit for attending this orientation (presented on the LMS) a student must complete forms that review the tasks experienced throughout the duration of the program. This will serve as a determinant if the student will be prepared to start with the distance education platform provided.

The program content is offered through distance lecture and laboratory. 99 Quarter credits will be awarded under the Southwest University RN to BSN curriculum.

Prerequisites:

Registered nurse applicants seeking admission to the RN to BSN must have completed the following:
