

## PROGRAM MISSION, GOALS AND PURPOSE

### ■ Mission

**The mission of Southwest University at El Paso is to provide exceptional career and technical training, promote intellectual growth, critical examination and informed understanding through general education and a commitment to educational excellence strengthened by quality instruction, a positive learning environment, and the integration of emerging technologies to enable students to achieve their potential, participate in new employment opportunities, and continue to be lifelong learners.**

Consistent with the mission of the faculty of the College of Imaging Sciences is committed to providing quality instruction by preparing the student to be employable at an entry level in the DMS Program.

### ■ Goals

The goals of the Southwest University DMS program are:

- Goal #1:** Graduates will apply the use of Critical Thinking.
- Goal #2:** Graduates will demonstrate Professionalism.
- Goal #3:** Graduates will demonstrate to be Clinical Competent.
- Goal #4:** Graduates will demonstrate professional communication skills.
- Goal #5:** The program will be proficient with Human Anatomy.

### ■ Purpose

The freedom of individuals to gain knowledge and understanding is essential in the maturing of the mind. So that all students may exercise these freedoms a school must have an environment that does not lack order and stability.
