INTRODUCTION

Southwest University Mission Statement

The mission of Southwest University is to provide exceptional career and technical training through a commitment to educational excellence strengthened by quality instruction, a positive learning environment, and the integration of emerging technologies to enable students to achieve their potential, participate in new employment opportunities, and continue to be lifelong learners.

Purpose

The freedom of individuals to gain knowledge and understanding is essential in the maturing of the mind. So that all students may exercise these freedoms a school must have an environment that does not lack order and stability.

The intent of this code of conduct is to ensure that students do not lose their freedom but are also held accountable to the rules that this institution has set forth. Just as the student must follow these rules and regulations, the institution must clearly outline what these rules and regulation are.

Definition of a Student

A student is an individual who may be enrolled in Southwest University and who attend classes provided by Southwest University.

Opportunities

It is our desire to see each and every student achieve their highest potential. We will do our best to provide the opportunity and offer training, education and guidance whenever possible.

Academic Misconduct

Any Student found guilty of academic misconduct shall be subject to disciplinary action. Academic misconduct includes, but is not limited to the following actions:

1. Cheating or knowingly assisting another student in committing an act of cheating or other forms of academic dishonesty.
2. Plagiarism, which includes, submitting examinations, themes, reports, drawings, laboratory notes, undocumented quotations, or other material as one's own work when such work has been prepared by another person or copied from another person.
3. Unauthorized possession of examinations or other course related material.
4. Unauthorized changing of grades on an examination, in an instructor's grade book, or a grade report.

Academic Discipline Process: The faculty member or school director must inform the student of the alleged offense upon discovery, and after an investigation, will take one of the following actions:

1. The allegation may be dismissed as unfounded
2. The allegation may be dismissed for lack of clear evidence
3. The student may admit guilt and a sanction will be imposed
4. The school director will determine guilt based on clear and convincing evidence and a sanction will be imposed.

Sanctions that may be imposed

If the student admits guilt to academic misconduct or is found guilty by the school director the following sanctions may be applied.

9. The student may receive a failing grade for the assignment, report, or test. A report will be produced and the student will be advised and counseled by the instructor

10. The student may receive a failing grade for the course and be put on six weeks probation.
11. The student may be dropped from all the courses he or she is currently taking.
12. The student may be permanently expelled from Southwest University.

Incomplete Grades

At its discretion, the school may allow a student, who for reasons acceptable to the school, is experiencing non-repetitive, extreme attendance problems, to make up essential coursework previously missed due to absenteeism. It is the student's responsibility to contact his/her instructor to arrange for any make-up work.

No more than 5% of the total program clock hours can be made up. In the event that the student misses a significant amount of hours in a course, the instructor may determine that it is in the best interest of the student to repeat the course.

Non Academic Misconduct Alcohol, Drugs & Illegal Substance Abuse

Southwest University has a zero tolerance policy on the use of controlled substances. Possession of alcohol, illegal drugs or other illegal substances is not permitted on school property. Furthermore, students are not permitted to report to school while under the influence of alcohol, illegal drugs or other illegal substances. Students failing to adhere strictly to this policy will be subject to permanent expulsion. Report any suspicious activity to the Director or the President.

**Violence**

Threats of violence and acts of violence are strictly prohibited. Students threatening or committing acts of violence will be subject to appropriate disciplinary action, up to and including termination from the program.

Weapons

Weapons are generally defined as guns, knives and other objects universally considered a weapon by the vast majority of society. A “weapon” can also be any object which would do harm to another when used as such. Southwest University shall deem any such object a “weapon” for the purpose of enforcing this policy.

Possession of weapons is prohibited on school property. Any student who fails to follow the above mentioned rules regarding weapons will be subject to permanent expulsion.

Report any weapon possession to the Director or the President.

Sexual and Other Unlawful Harassment

Southwest University will not tolerate sexual misconduct of any kind as defined herein:

Forced Sexual Contact

Any harmful, insulting or non-consensual verbal or physical contact of a sexual nature with another person, (including touching, fondling, exposure, disrobing, etc.) that is accomplished toward another without his/her consent including any such act accomplished by means of actual or implied force, coercion, or helplessness. Forcing or intimidating a person to touch another’s intimate parts shall also constitute sexual.

Special Grievance Policy

Procedures for initiating Grievance Complaints: This procedure

has been established to provide a method to resolve student' grievances-at the lowest administrative level in a fair and expeditious manner. For the purpose of this procedure, grievances are limited to alleged violations of Southwest University policy or procedures by Southwest University or its employees, disputes with faculty and/or alleged unfair treatment. This method is usually used to appeal a grade the student feels was not justified. Under no condition should these policies be used when the student has allegedly violated the code of conduct. Any student who believes that he/she has been unjustly treated within the academic process may proceed as far as necessary in the steps detailed below.

A. Appeal to the faculty member: The student is to submit a written appeal to the faculty member within 3 days after the start of the six week period following the six week period in which the alleged grievance occurred. The faculty member and the student are to discuss the problem. The faculty member will submit a written report outlining his or her decision to the student.

B. Appeals to the program director: If a decision satisfactory to the student cannot be reached, the student may submit a written appeal to the program director. This is to be done within 3 working days after the receipt of the written decision by the faculty member. The program director may meet with the student, or faculty member to review the merits of the appeal. The program director will submit a written response outlining his or her decision to the student and faculty member within ten days of the last meeting.

C. If a resolution is not reached the student may submit a written complaint to TWC.

ARBITRATION & MEDIATION

If any dispute should arise out of the Student's enrollment and attendance at the University, no matter what issues it involves or how either the Student or the University might describe, plead or style the dispute, both the Student and the University agree that they shall first make a good faith effort to resolve the dispute by participating in mediation with a neutral mediator and then, if the dispute is not resolved, it shall be submitted to binding arbitration under the Federal Arbitration Act, all as specified below:

- (a) The mediator shall be selected from a list of approved mediators maintained by a court or bar association situated in the same community (the "Local Community") as the campus of the University which the Student is attending.
- (b) If arbitration occurs, it shall be conducted at a convenient location within the Local Community, pursuant to the Commercial Arbitration Rules of the American Arbitration Association (AAA) by a single arbitrator selected from an AAA list in accordance with AAA selection rules.
- (d) All allegations, claims and defenses, as well as any supporting information (including statements, testimony and documents), presented in mediation or asserted in arbitration shall be kept confidential by the parties and no disclosed outside of the mediation and arbitration proceedings except for disclosure to a party's counsel and consultants.

(e) All determinations as to the scope and enforceability of this arbitration provision shall be made by the arbitrator and not by a court.

(f) The arbitrator's award shall be final and binding on both parties, and may be filed for enforcement by either the Student or the University in any court having jurisdiction.

The University and the Student acknowledge that they are voluntarily and irrevocably electing individualized arbitration (that is, between University and Student and not as part of any class action or mass tort or similar joinder of claims) as the remedy for any unresolved dispute they may have,

and the arbitrator in such proceeding shall not have authority to hear any class or mass arbitration or to award punitive damages, consequential damages or noneconomic damages. University and Student voluntarily and irrevocably waive any rights they may have to bring a lawsuit in any state or federal court of competent jurisdiction and to try their dispute before a judge or jury, including by means of a class action or mass tort or similar joinder of claims.

SCHOOL POLICY ON ATTENDANCE:

School holidays, such as Christmas holidays, etc., shall not be considered as days of absences.

Make-up work

At its discretion, the school may allow a student, who for reasons acceptable to the school, is experiencing non-repetitive, extreme attendance problems, to make up essential coursework previously missed due to absenteeism. It is the student's responsibility to contact his/her instructor to

arrange for any make-up work. No more than 5% of the total program clock hours can be made up. In the event that the student misses a significant amount of hours in a course, the instructor may determine that it is in the best interest of the student to repeat the course.

Student must provide documentation to justify the absence.

Smoking

Smoking is not allowed in Southwest University facilities. Smoking is allowed only outdoors. While smoking, please be considerate of others. All smoking materials must be extinguished properly and disposed of in appropriate receptacles.

Dress Code for Bachelor students

The Dress Code is based on the theory that learning to use socially acceptable manners and selecting attire appropriate to specific occasions and activities are critical factors in the total educational process.

There are two main reasons for this code. The first is educational. That is, it is supposed to teach students what sort of dress will serve them best professionally and socially. The second relates to classroom order, namely it is intended to deter students from wearing clothing to class that could disrupt the class.

Students will be denied admission to class if student id is not visible or their manner of dress is offensive to anyone. On this premise, students at Southwest University are expected to dress neatly at all times.

All MA students must wear scrubs and all associate degree students must wear the school approved shirt/blouse.

The following are examples of appropriate dress for various occasions:

Neat, modest, casual or business attire.

Examples of Inappropriate Dress and/or Appearance

1. Bare feet.
2. Short shorts (shorts must reach the length of your hand)
3. Clothing with derogatory, offensive and/or lewd messages either in words or pictures.
4. Men and Women's pants that show underwear.

All administrative, faculty and support staff members will be expected to monitor student dress code and report any such disregard or violations to the administration.

All Medical students must wear scrubs and all Associate students must wear the University uniform.
